Award Winning Service and Support

Your life at your fingertips

The HP TouchSmart PC is a full-featured desktop PC with an integrated touch-enabled 19" diagonal widescreen BrightView LCD. The product introduces the touch experience to desktop computing and provides fast, easy access to information, communication, and entertainment. It's designed to fit wherever life happens: in the kitchen, family room, or living room. With one touch you can check the weather, check your e-mail, or watch your favorite show.[25] It's your life at your fingertips. Some of the bundled programs and special features designed to enhance your PC experience include:

- HP SmartCenter—provides one-touch access to your customizable page of quick links and favorite applications and leave personal written voice and video messages - even view the calendar when you're not at home
- HP SmartCalendar—allows you to quickly and easily maintain your family's schedule, manage events, and leave personal written messages—even view the calendar when you're not at home.
- HP Photosmart Touch—allows you to upload, manage, edit, and print your digital memories. An integrated printer station with convenient ports lets you connect a compatible Photosmart portable printer for on-the-spot photo printing.[28]

Entertainment at your fingertips

The HP TouchSmart PC also provides one-touch entertainment options, including digital photos, radio, TV, movies, digital music, and the Web.[25] Enjoy dazzling images on the 19" diagonal widescreen BrightView LCD.

- An integrated personal video recorder (PVR) lets you play, pause, rewind, and record live TV—perfect for watching cooking shows in the kitchen or keeping up with your favorite series.
- Use the included remote control or touch screen to quickly and easily access music, movies, photos, TV shows, or radio programs.
- Adjust the display to the viewing height and angle most comfortable for you.
- Integrated high-performance speakers provide a great audio experience.

Protection right out of the box

Pre-installed security software helps protect you from viruses, spam, spyware, and other online threats, right out of the box.

Windows Vista™ Home Premium

The highly anticipated release of the Windows Vista™ Home Premium operating system marks the start of a new era in computing comfort and confidence for consumers. In addition to innovations in security, reliability, and organizing and finding information, users will find that the HP TouchSmart PC includes all the necessary hardware to enjoy the full Windows Vista™ Home Premium experience, including the new Windows® Aero™ user interface and Flip 3D. These intuitive tools and impressive graphics make personal computing more manageable and visually appealing

Award-winning support

HP stands behind our products and protects your investment with award-winning service and support available around the clock by phone, e-mail, and online—whichever you prefer.[23]

- HP Total Care offers expert assistance 24 x 7:
  - o Toll-free telephone support at 1.800.HP INVENT (1.800.474.6836) in English and Spanish in the United States or English and French in Canada
  - o Real-time online chat.
  - o E-mail, usually answered within one hour
- A desktop icon offers one-click access to online technical support, troubleshooting, and downloads.

Fits into your life

The space-saving, clutter-free design of the HP TouchSmart PC fits almost anywhere in your home. Its keyboard and mouse are wireless. Its display is integrated with the PC base. Simply connect a few cables—power, network, and cable TV—and your HP TouchSmart PC is ready to use.

- The low-profile wireless keyboard stores in its own hideaway bay when not in use.
- An optional HP Photosmart portable photo printer[28] installed in the printer station at the back can print photos and deliver them right at the base of the HP TouchSmart PC, under the screen.
- Wireless LAN and Bluetooth® technology offer more opportunities to minimize the number of cables.[18]

HP recommends Windows Vista® Business.

Visit www.hp.com/go/touchsmart for more details!

[2]GHz refers to internal clock speed of the processor. Other factors besides clock speed may impact system and application performance.
[3a] Up to 256MB of main system memory may be allocated to support video graphics.
[3b] Actual available memory may be less.
[4] For hard drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 10GB of storage space is reserved for the system recovery software.
[5] Actual speeds may vary. Does not permit copying of commercially available DVD movies or other copyright-protected materials. Intended only for creation and storage of original material and other lawful uses. Double Layer is a new technology. Double Layer media compatibility will widely vary with some home DVD players and DVD-ROM drives. LightScribe creates a grayscale image similar to black and white photography. LightScribe media required and sold separately. Note that DVD-RAM cannot read or write to 2.6GB Single Sided/5.2 GB Double Sided – Version 1.0 media. Data transfer rates up to 3,600 KB/s (CD read/write) and 10,816 KB/s (DVD read/write).
[7]Internet access required. First 60 days included; subscription required for live updates afterwards.
[9] Intended for your original content and other lawful uses.
[14] The Microsoft® Office Home and Student 2007 is a trial version; functionality is reduced after 60 days. The full version is sold separately.
[15] ATSC high-definition (HD) source content varies and will depend on broadcast signal, antenna, and other factors. In cities where local off-air HD programs are available, reception may vary based on geographic location. An external over-the-air antenna that receives UHF and VHF signals is required for ATSC reception. Viewing HD content will require a compatible high-definition display. Ability to record, edit, or transfer broadcast content such as TV programming may be limited depending on the type of content.
[16] Internet access requires payment of additional fees or subscription for use. Offer does not include local telephone company charges, if any, or applicable taxes. Any long distance charges incurred will be the responsibility of the customer. Please make sure your access number is local. A valid credit card is required to initiate the service. This offer valid in the U.S.A. only. Additional terms and conditions may apply, see AOL offer for details.
[18] Wireless access point and Internet service sold separately.
[19] All specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.
[20] HP Personal Media Drive and/or HP Pocket Media Drive sold separately.
[23] Internet access required.
[25] Internet access required and sold separately for required download, not pre-loaded.
[28]Printer sold separately.

Certain Windows Vista product features require advanced or additional hardware. See www.microsoft.com/windowsvista/getready/hardwarereqs.mspx and www.microsoft.com/windowsvista/getready/capable.mspx for details. Windows Vista Upgrade Advisor can help you determine which features of Windows Vista will run on your computer. To download the tool, visit www.windowsvista.com/upgradeadvisor.
